To whom it may concern,

I have known Dr. Ward in a professional capacity for more than 20 years. He is a person of good moral character, ethical and highly credentialed. Prior to taking the bench Dr. Ward testified for me as an expert witness in a Multnomah County Case. He testified very credibly, and jurors reported they were impressed with his knowledge and candor. I would highly recommend Dr. Ward for any position or undertaking that he chooses to pursue in the area of dentistry.

Please do not hesitate to contact me should you wish to discuss this recommendation further.

Sincerely,

Honorable Ulanda L. Watkins
